Dear Mr. Beresh:

On behalf of McCreary County Fiscal Court and the citizens of our county we wish to thank your company for an excellent job performance for the ADA Renovation at the McCreary County court house.

We especially want to thank your field superintendent, Charlie Ellis, for overseeing the project. He is also to be complemented for his patience in the handling of all the numerous changes that were required in order to complete the construction contract for this historic 100-year old court house within the tight budgetary constraints that the McCreary County court house had to comply.

Your immediate response to Mr. Arthur's "Punch List" letter of May 12, 1998, demonstrates again your integrity and concern to provide the McCreary County court house with a finished job for which our entire county can be very proud.

It has been a pleasure working with you.

Sincerely,

Jimmie W. Greene
McCreary County Judge/Executive
